Vermont companies: News notes from Burlington

- ENPRO Services, Inc. announced it is strengthening its capabilities in the region with the opening of a new emergency spill response and field service center within the Global Companies LLC terminal on Flynn Avenue in Burlington. The new location is set up as a full-service center capable of responding to all types of oil and chemical releases throughout Vermont and northeastern New York. With the new service center adjacent to Lake Champlain, ENPRO also offers marine response capabilities. ENPRO also announced that it has signed an agreement with Green Mountain Power to provide emergency spill response and waste disposal services for multiple locations within the state.
